

CAPABILITY STATEMENT

PROMOTING LOVE & WISDOM HOME CHILDCARE CENTER, LLC

PUSH - (P.L.W.H.C.C)

Promoting Love & Wisdom Home Childcare Center, LLC is a Safe Haven that provides a loving, nurturing, safe environment; that promotes high quality service for learning. The daycare believes that all children are candidates for learning no matter what the child's ethnic background is. The mission is for all children to enhance their knowledge by exploring their ideas, promoting creativity, innovation, encouraging new perspectives and making connections through meaningful learning experiences in the classroom and outside settings. By utilizing the theoretical hands on method, children are better prepared for Kindergarten and getting involved with their communities that they reside in. PUSH-PLWHCC provides Childcare Services Nationally.

- This center offers a peanut and tree nut free nut environment
- Children receive nurturing and responsive caregiving;
- Families have access to a family engagement specialist who support them in achieving their personal and professional goals;
- Teachers receive coaching and

additional supports to advance their learning and professional developmental trainings.

As passionate teachers, we will conduct ourselves with a positive attitude as motivational leaders in the field of education. We will recognize the whole child in each of our children and motivate them to explore the world through hard work. Our perfect world is a place where our children can master the learning process, the sense of self confidence and worthiness. Teachers have a least a bachelor's degree. This center has NAFCC Accreditation. National Association for Family Child Care is a national membership organization whose mission is to support the profession of family childcare and to encourage high quality care for children. NAFCC Accreditation standards cover the following content areas: relationships, environment, activities, developmental learning goals, safety, healthy, professional and business practices.
